ABOUT CRESTA VAAL COLLEGE

Welcome

Welcome to **Cresta Vaal College (CVC)**.

We are a private TVET College operating in South Africa. It is with great pleasure that we welcome your enquiry about Cresta Vaal College courses.

At Cresta Vaal College, we are guided by values of **Personal EXCELLENCE, Integrity, Respect and Rationale Enquiry**.

Our focus on teaching and research is inspired by **engagement and partnerships**, and we take every opportunity to link with those in many communities we were established to serve.

Cresta Vaal College is an SMME operating FIVE (5) campuses and was established in the 2010.

We offer a broad range of vocational programmes at diploma, certificates, skills programmes and basic NATED vocational levels that are comparable to those that are offered in South African public TVET colleges.

These programmes cover the education and training needs of the learners ranging from skills programmes, short courses through to full qualifications.

In all programmes areas, close links with industry, business and the wider community have been established.

Accredited College

We are an accredited institution legally operating within the South African educational sector governance framework.

Please check and verify our accreditation status with the bodies we are accredited with.

Most Innovative College

Cresta Vaal College prides itself on being the most innovative college in South Africa, we pride ourselves in the Quality of the students we produce and the doors our Quality and Recognized Qualifications open for our graduates.
